THE FAMILY ENTERTAINER

A Party Place if ever there was one. Open Plan living enjoys sweeping verandah outlook from
combined modern hostess kitchen that sets this huge 5 acre approx hobby farm apart and without question supplies the lifestyle any tree changer desires. The spa is a central focus of the large rear decking/BBQ area that faces west to Mt William and over superb pastures ready for a horse or two or the kids and their motorbikes.
There is a tiny bit of work to do but all the big stuff is done.
ALL offers are invited so please call Alan Wilson now for an inspection.
