19 Watson Street SEYMOUR, VIC

Position Position

What a fantastic small block close to everything!

This is a little ripper for someone wanting to downsize and build a small home, town house or unit (S.T.C.A.). With all services available and fully fenced makes for an ideal investment.
Close to shops and transport, you could even leave the car at home. What a cost saver that would be!

For further information contact Julia Jones in our Broadford office on 0408 997 456
