3-BEDROOM FAMILY HOME

Located in the pretty Willowmavin Estate the home looks out to the north and with floor to ceiling windows is bathed in loads of natural light. The master bedroom, with ceiling fan, ensuite and walk-in robe and the two remaining bedrooms with BIRs are separated by the large living area which adjoins the kitchen/meals and there is internal access to the double garage. The garden is well established with fruit trees, ornamentals and bulbs scattered throughout and it's so relaxing looking out over the garden to the views beyond.
