# 13 Allowah Court NAGAMBIE, VIC

## NAGAMBIE (WHROO) LAND FOR SALE

Stunning Lifestyle property...
This is one of the rare properties in this region to come onto the market, approximately 50 acres of flat land mostly cleared with good quality fencing and gates to all boundaries and some separated paddocks within, that's hard to beat!
A large dam has already been constructed towards the rear of the property and there's a large shed with power connected as well as several water tanks. The property has previously been used for cattle, sheep and horses.
So come for a drive, check out this acreage while it's still available and take in the surrounding locations that really make this such an attractive area to have a little slice to call your own.
