WALLAN HOUSE FOR SALE

This is absolutely fantastic, as new home, a huge block, in the rapidly expanding area of Wallan. Comprising four generous bedrooms and a large kitchen family area, this wonderful home will certainly appeal to the discerning buyer looking for a good size home on a massive block. A well-appointed kitchen has stone bench tops, pantry, dishwasher, electric oven and gas cooktop. Ducted heating and cooling, loads of natural light and tiles throughout the high traffic area make this a very family friendly home. Inspect to buy as homes of this calibre will be hard to find in the near future. Close to public transport with a direct rail line to the CBD and a Catholic School planned for the very near future this is the place to be. Currently tenanted and returning approximately 3.87%, quickly call me as soon as possible to book and inspection on 0417 012 041, the office on 5781 1999 or email: gail@wilsonpartners.com.au
