ELITE LIVING - AMAZING LIFESTYLE

this shares family feature open gas fire through to formal dining or chandeliered ballroom. After dinner your guests can be wowed in the Gold Class move theatre or coerced to fun and games in the rumpus. The East Wing continues a theme for family focus and personal retreat to each of the 6 bedrooms. Solid red wood timbers, deep rich tones and stunning northerly views over rolling hills that carry stands of native timbers invite all the occupants on to a private verandah to become one with nature. A central sound system storing up to

1500 CDs has each individual controlling their own environment and none more so as found in the master bedroom. Michael Buble's dulcet tones confirms the owners attention to detail in a room that even this oversized king bed is lost. More redwood timbers line the Kingly walk-in robe but wait until you see the ensuite. Equal to top end spa's you enjoy this quiet corner for free as the master/mistress of this superb home. The private oasis has its own real ???Oasis??? in the north-west corner. Salt water, solar heated pool travertine style tiling and you guessed it - sand, lots of sand and lots more views - wow factor plus of
