PRETTY FANTASTIC!!

Set on approximately 10 acres, this two bedroom sweetheart has personality and charm that appeals to you the minute you drive in the driveway. Open plan lounge and dining with solid fuel heating, timber kitchen with marble bench tops, shower over spa bath in spacious bathroom and commercially graded insulation throughout. Huge entertaining area, decked verandahs and a beautiful outlook from every window. Great shedding, fencing is terrific and we even have plans for an extension if so desired!!
