

WANDONG, VIC

SOLD! SOLD! SOLD!

This is the "tree change" you have been waiting for. Over an acre of some of the best land in the area, walking distance to the train station, minutes to the Hume Freeway, 50 minutes to the CBD and close to the local school and shops. Something of this standard doesn't come along very often, 180 degree views, spectacular sunsets and charm of a bygone era. Attention to detail in this property is evident as you cast your eye over the beautiful decor and wide verandah which is accessed from the master suite, formal dining and family area.

Large bedrooms, kitchen, and laundry are just some of the features of this wonderful family home. The very generous double garage is complete with a loft and added storage, a double carport allows for multiple car spaces.

Well established gardens complete the picture, this has to be seen to be believed. Inspect now, don't miss out!
