VALLEY WALLAN, VIC

CLASSIC AUSSIE HERITAGE

Surrounded by open views of lush rolling paddocks, bushland and a meandering creek, this classic three bedroom Aussie homestead really does enjoy a stunning location, set on a large fertile parcel of almost four acres with many improvements including fencing, shedding, indigenous replanting and excellent pasture. The picturesque creek running through draws the eye and interest of all visitors - the water holes, the willows, the sand - the idyllic Aussie rural setting.
