

TOO EARLY FOR PHOTO

52 ALBERT STREET KILMORE, VIC

OH, WHAT A BEAUTY!

Do you fancy a home in a great location, close to schools, shops, aged care facilities and hospital? Toss in the advantage of a very generous block with rear access and hey presto, behold a fabulous property with heaps of potential. Comprising two generous bedrooms with built in robes, plus master (with decked entry) walk through robe and ensuite, this beauty is just waiting for the finishing touch. An open plan lends itself to quality family living with a double sliding door at the kitchen for easy access to enjoy the very generous rear yard. Don't let this home escape you, whether you fancy an investment and/or want to increase your portfolio or you're a first home buyer? Maybe you just want to get out of the big city smoke. Whatever the reason, call me for an appointment today and take a look, looking doesn't cost you a thing!
