EXCLUSIVE LIVING, PLAYING & WORKING

Some people look for executive living with a focus on family fun.

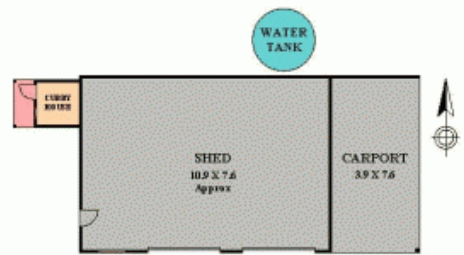

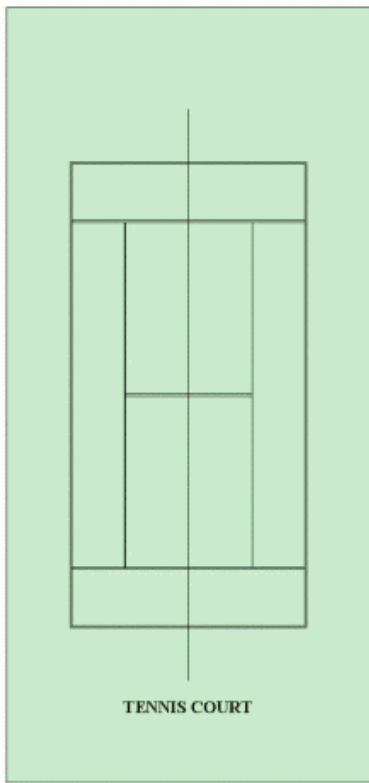

This home has it all, set in an exclusive estate on a large 1 acre plus of low-maintenance grounds is a classic four bedroom homestead. Comprising two formal living areas, parent retreat/study and hostess kitchen - its ready now for the big family or the one that is growing. The sunroom completes the homes focus on entertaining, full glass sliding access to the garden and only a short few steps to a fully lit competition-size tennis court. Magnificent to say the least!

Plus as a bonus work out of home in a huge Colorbond shed approx 7m x 15m with power and its own bathroom toilet/shower facilities.

An inspection will delight. Call Brett McDonald to arrange inspection 0409 586 136.
