## LIKE A LOVING HUG FROM GRANDMA

This home is just like a warm and loving hug from Grandma, because it just makes you feel so comfortable and relaxed. The welcoming entry entices you into the formal lounge room where you will experience cathedral ceilings and a feature brick wall.

The room is "L" shaped and allows for a large dining table with room to spare.

The main bedroom has a large ensuite and a walk in robe with a window for natural light. The kitchen is well appointed and has been recently updated.

Tiles here lead you to the large informal meals area and then to the cosy carpeted informal living. Three other bedrooms all have built in robes.
