

15 TRAINERS DRIVE KILMORE, VIC

I KNOW YOU'LL WANT IT!

With a raised aspect on approx 5 acres you will find here a three bedroom plus study home waiting for someone to add their personal touches.

Views towards Mt William are outstanding and there is a raised deck and entertainment area at the rear of the home perfect for admiring the view.

A large dam central in the rear paddock is great for watering the couple of ponies that will surely move with the family or be added once the family is settled. The residence has been a wonderful family home for this family, but downsizing is now reluctantly required.

A huge family room also provides views to the mountains and overlooks the roomy kitchen and thru to the formal lounge dining room.

Polished floor boards are a feature thru most of the home, leaving the bedrooms for the new owner to decide their flooring outcome.
