NEAT AS A PIN

What a fabulous family home on a very large block with nothing to do, just move in and enjoy. At first glance it is evident that this home has been lovingly cared for and maintained with particular attention to the little things. A wide tiled entry leads to the busy areas such as the well appointed timber kitchen and meals area and a large family room looks out to the undercover entertaining area. Robes in the bedrooms, with a full master suite plus a study and lounge make this home one of the best.
