

TOO EARLY FOR PHOTO

27 TWENTY-FIRST STREET EILDON, VIC

WEEKENDER - LAKE EILDON

Eildon is full, the fish are biting, the skiing's great and the bike tracks are better than ever. Now all you need is a neat and secure little weekender. It's two bedrooms with a clean original kitchen and bathroom, Coonara and shady gardens. Walk to the pondage in minutes. You work hard so you've earned the right to relax and play without roughing it too much. Only two hours to Melbourne it's living the dream with total convenience.
