

60 AVENEL ROAD SEYMOUR, VIC

## CUTE AND CHARMING

Set on a large 780m2 block approximately, this home is well presented and showcases modern and low maintenance designs combined with the perfect outdoor entertaining in a private yard. Don't let the two bedrooms and two bathrooms fool you, this home is plenty large enough with open plan kitchen-meals area and well sized lounge. This adorable brick veneer home also has side access with gates and plenty of space for a larger shed in the back yard.
