Fall in Love

This beautiful home has character and charm and a distinctive design that cannot be compared with any other property.

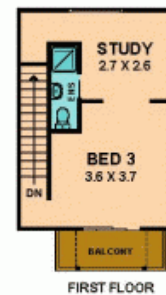

Polished floorboards throughout most of the home, dado panelling, exposed beams and cathedral ceilings are some of the eye-catching features.

You will also appreciate the two comfortable living areas, one at the front of the home with soaring roofline, pot belly heater and ceiling fan.

Call the exclusive agent Julia Jones on 0408 997 456 to arrange a personal inspection.
