

8 MELBOURNE STREET KILMORE, VIC

MELBOURNE'S BEST

Experience amazing views over the Kilmore township from the veranda of this c. 1860 home on a large block. With rear access to double shedding which has both power and concrete flooring, a large garden and well established trees so close to the town centre. All three bedrooms are massive with high ceilings and a character fitting for the era. The rooms open onto a large kitchen/dining, and an emphasis on indoor-outdoor living. This is a true beauty; call Jessica Kendrick today on 0415 984 296 to inspect.
