### 'A NEW KID ON THE BLOCK!'

Are you having trouble finding an 'as new' home, and are you having trouble finding a four bedroom home 'as new' plus a study? Look no further, here it is, complete with three living areas. Very well presented, tiled in the busy areas and carpeted for comfort, this lovely large family home has got loads to offer. The large rumpus is a great place for the little kids, or the big ones and the lounge is well positioned for quiet time or as a parent's retreat. Call for an inspection, if you miss out you'll be sorry. Gail Kendrick 0417 012 041, 5783 2233.
