

# TOO EARLY FOR PHOTO

30 LAFFY STR WALLAN, VIC

## HUGE PRICE ADJUSTMENT

This property is a true gem with nothing to do because it's all been done with ducted heating and cooling, lovely large all-weather alfresco and manicured gardens. Simply move on in or pop tenants in as soon as possible, no time wasted painting and cleaning, this one is spic and span. Ring us today, you will be pleasantly surprised.
