

2/8 MOLLISON STREET BROADFORD, VIC

TWO BEDROOM MUDDY!

Most units are small and lack character.

This is one that will both surprise and delight you!

Two large bedrooms, big lounge and timber kitchen, spacious bathroom with laundry enclosed and set on huge private block in group of only three!

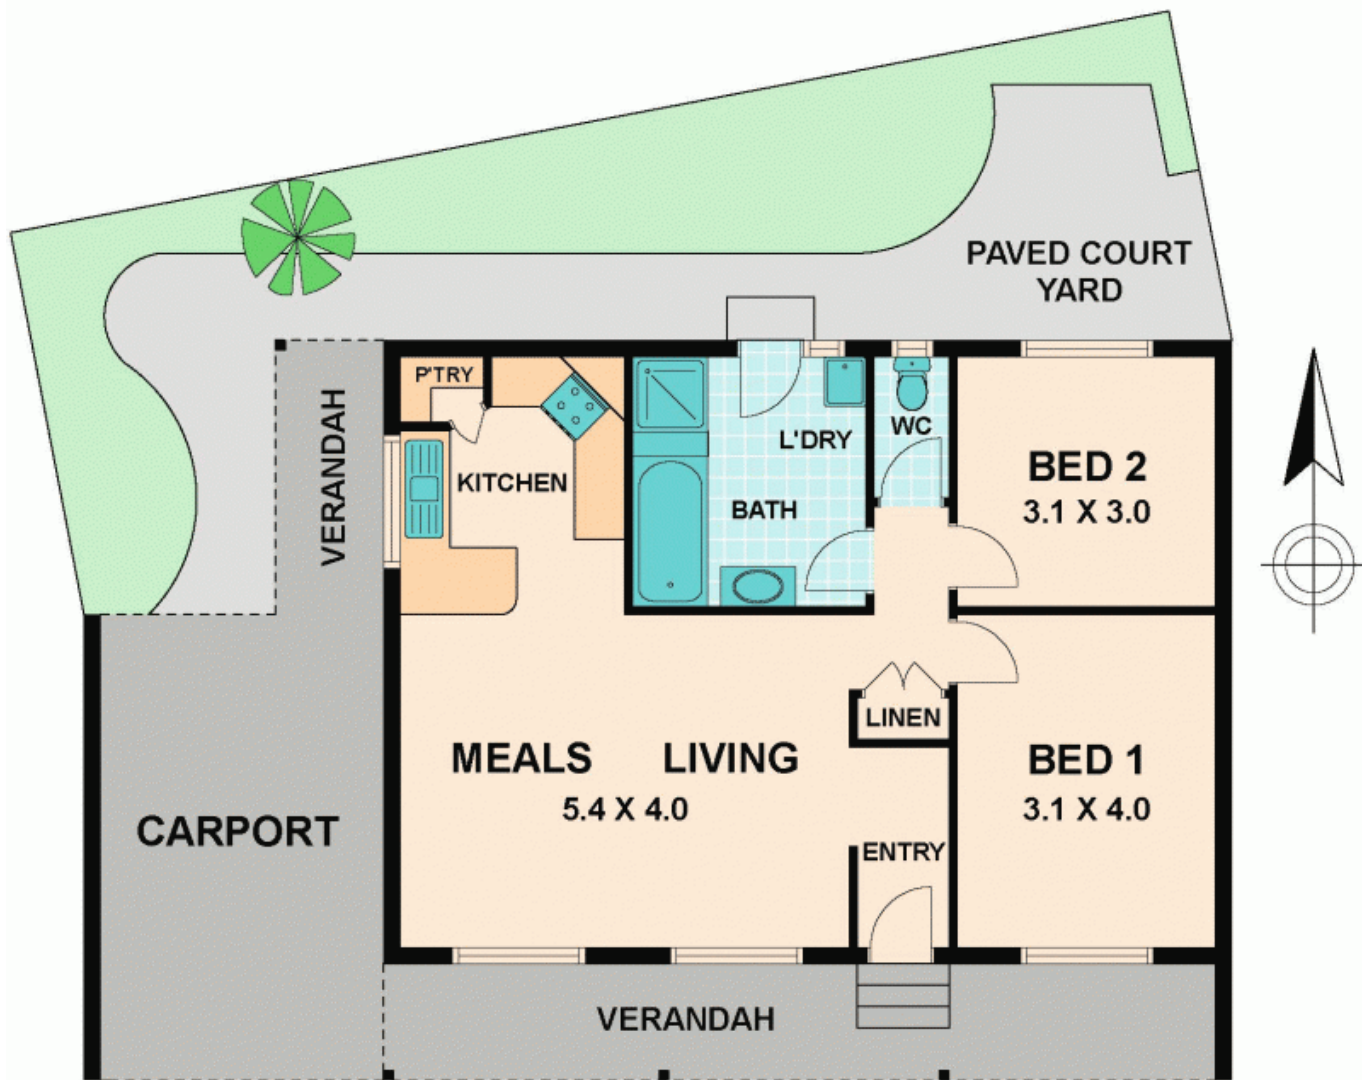

All enclosed in a gorgeous mud brick that acts as a fabulous insulator for both summer and winter.

Single carport, cute courtyard and even though this requires a bit of TLC, she will come up as good as new with a lick of paint and a bit of time.
