CERTAINLY STYLISH

I'm so pretty, so very pretty, plus my block is really big. Manicured gardens, automatic watering system and decked undercover alfresco, I'm a winner in all aspects with a fabulous bedroom family home bathed in natural light with multiple car parking and rear yard access. Beautifully presented, with nothing to do, just move in. Make time for an inspection because I don't think this beauty will be on the market for long. Call Gail Kendrick on 0417 012 041 or 5781 1999.
