

93 King Street WALLAN, VIC

### ONLY 2 LEFT!

How Central is this? Central Wallan means an easy walk to shops, sports and schools. Life is grand. Build a big house - have a big yard. Build 2 homes on one block (STCA) and rent one out. This is about location and value. You've seen others come and go, so don't add these last ones to your list of ones you didn't grab. Make an offer today. Phone Brett McDonald 0409 586 136.
