

2/112 White Street KILMORE, VIC

PEACE, PRIVACY AND A GREAT PRICE!

This block of approximately 544m² is privately tucked away and waiting for you to build your new home.

A home could be perfectly designed for this block, be substantial in size and still leave ample space for the children to play and for you to enjoy fresh air, gardens and sunshine.

With great access to the main road you will be on your way to work in 30 seconds flat or if you need to pop to the shops, they are only minutes away by car as are schools.

Our local bus service runs past the property, so access to the railway station is provided with ease.

Into the CBD from Kilmore via train takes approximately 55mins a great time to catch up with knitting or craft work, study or a good book!
