

2/88 Gavan Street BROADFORD, VIC

VACANT LAND

What a brilliant opportunity to secure a big 1650m² block so close to Broadford's main street!

With a beautiful rural outlook, the long narrow block with rear lane access will allow loads of room for you and your family to enjoy a country town lifestyle within a short walk to shops, schools and sporting facilities.

The block is currently subject to a plan of subdivision being registered, and will have power, water, phone, mail and waste management services available.

Located in a cul-de-sac, you will appreciate the lack of traffic disturbance to the tranquil setting.
