SPLENDOUR

Are you searching for a country property that is only an hour from Melbourne!!

Would you like a spacious home with plenty of room for family and friends to stay!!

Are panoramic views, usable land and proximity to a sealed road and local shops important!!

Then this stunning 50 acre (approx) property could be the country property that will inspire you.

As you enter the driveway to the large brick home you will enjoy the expansive views to one of the large dams.

The home has ample living space both upstairs and down, plus 4 large to extra large bedrooms with built-in robes, all with access to outdoors.

An inviting and practical kitchen leads to a dining area and to the front verandah, the perfect spot to set up a telescope or just to relax and be mesmerised by the amazing views. The adjacent lounge will be a wonderful room to gather the family in front of the big open
