The Golf House

Made famous by association with the Kilmore International School, this amazing property will suit the dream of every investor or huge (and I mean HUGE) family.

Seven bedrooms, four bathrooms and two kitchens! This wonderful property could have two families live in it, one upstairs and one down.

Taking this property to the next level, it is set on two titles. Keep both, sell one and build on the other, the possibilities are unlimited.

Inspect today by calling Alan Wilson on 0417 577 988 or Daemen Bray on 0478 064 755.
