WALLAN HOUSE FOR SALE

Stunning family home

This stunning, low maintenance home is awaiting its new family. Sitting on a generous 400sqm block that even with the large three bedroom house has much more space than many of the surrounding properties offer!

The home boasts a fantastic floorplan which encompasses three huge bedrooms, two bathrooms, large laundry, an open kitchen with bench and cupboard space galore and a two car garage. The house presents like the day it was built having been meticulously maintained and cared for, anyone would believe it had just been built!

Outside is perfect for the kids (or kids at heart) and entertainers alike, offering year-round entertaining with a large alfresco area, fully landscaped established gardens and lush green lawn.
