

2-4 PIPER STREET KILMORE, VIC

KILMORE HOUSE FOR SALE

Double the Bonus

2-4 Piper Street is without a doubt the rarest of acquisitions in this tightly held market. True central Kilmore narrative close to absolutely everything, Assumption College, St Patricks, The Kilmore International School and Kilmore Primary - watch the kids walk to school.

This little gem is a four bedroom home circa 1950's in need of a full renovation that will see you reaping the rewards from your effort. (STCA) apply to split the allotment to double the bonus.

Very rare and ready for you to get started.
