WALLAN HOUSE FOR SALE

ELEGANT EXECUTIVE LIVING

This architecturally designed home inspires an expanding family with huge separate Master bedroom, resplendent Ensuite and Walk in Robe, while the other 4 bedrooms (or 1 as a study) are finished in equal elegant styling with turned timber door jams, solid timber doors and extra high ceilings. Unique in location in the strongly contested market, the rear patio connects to the full verandah, a neat back yard for parties and a storage shed for nick nacs.

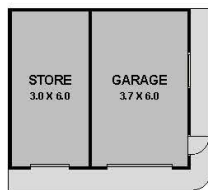

Drive into the three car garage by making an offer and buying your dream home.
