HEATHCOTE JUNCTION HOUSE FOR SALE

Family, Future, Wealth

Plush family living now in an architecturally designed residence with real future family wealth included.

Private road access to this elevated, contemporary four bedroom home shows what clever design and strategic placement offers you, the buyer.

Off the large entry a dual theatre/formal lounge adjacent a huge study, a hostess kitchen to die for plus meals and family zone centrally located to a cleverly set outdoor entertaining area, fully sheltered and screened.

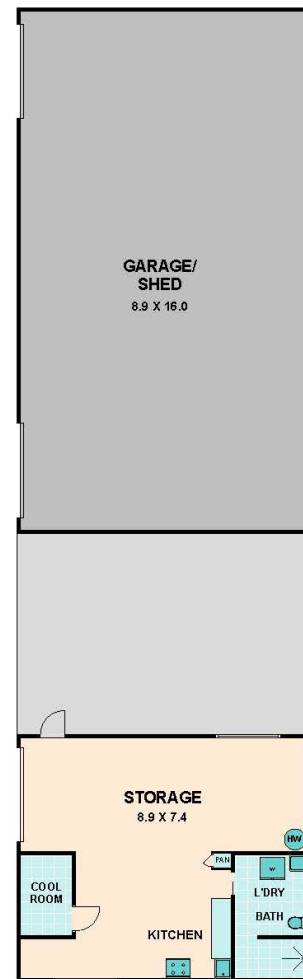

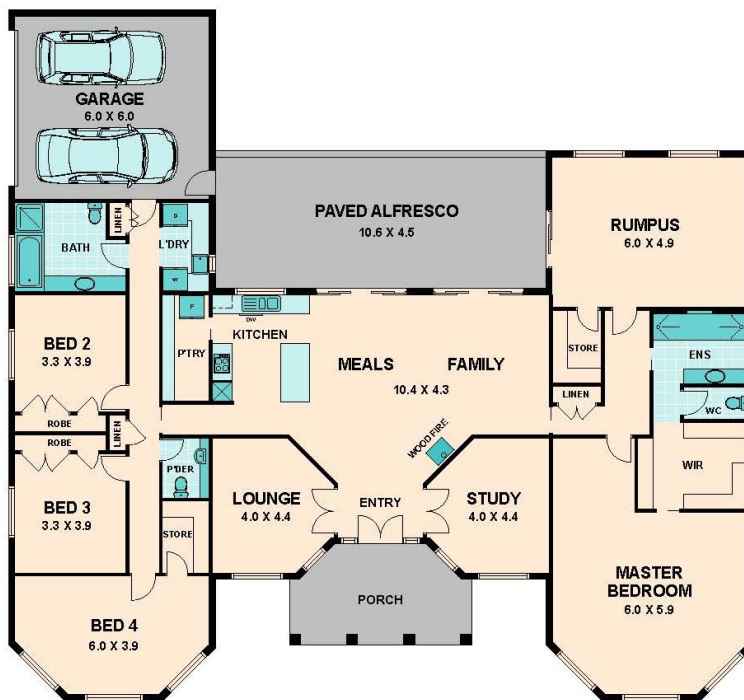

In real terms the master bedroom is a real master. The biggest of king beds is lost in this vast space which also boasts party ensuite and walk in robe.

In the Southeast wing the other large bedrooms are found, one of which can only be described as a 'Mini Master' with its own walk in robe, perfect for the older child, guests or extended family living with you. To top off the residence as an actual entertainer, the game
