

139 King Street WALLAN, VIC

WALLAN LAND FOR SALE

Build a brand new home to fit the whole family!

If your house is bursting at the seams, it might be time to consider a new home which more comfortably fits the whole family. Better yet, you don't have to settle for someone else's style and design when you buy a block of land. You can take this blank canvas and create the perfect place everyone in the family will adore.

Boasting a very generous 538m² land footprint with 16.75m street frontage, this offers ample scope to design a home to comfortably fit a growing family without compromising on space for a large backyard for the kids and pets to enjoy.

The natural soil block is also level plus there are low site costs and all services available. Better yet, there are no tight restrictions governing the estate, like you'd find in similar new neighbourhoods. And when you factor in the state's newly launched HomeBuilder
