

6 POWLETT STREET KILMORE, VIC

Put your hands up.....you're under arrest!

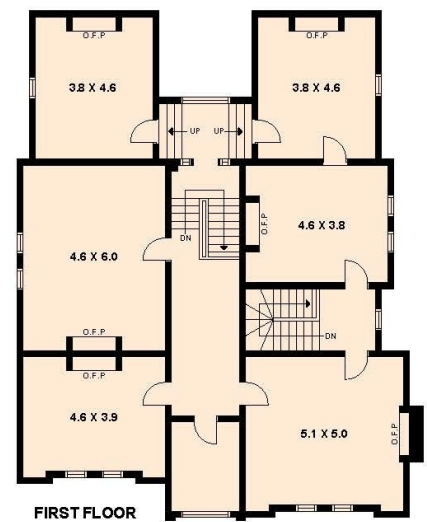

This Historic Police Station served our town with distinction having been commissioned in 1882. Recorded as a 'Strong Medieval revival influence?voysey-like extended gable?stepped chimneys with elements of Romanesque?'. In simple terms a statement acquisition with endless possibilities for this perfect late 19th century architectural masterpiece.

This partially restored/renovated building sits on a huge allotment with both front and rear entry and egress. The real beauty is found behind these treasured walls as each room inspires perusal, living quarters, kitchen or an easy converse into professional suites.
