3/36 Victoria Street

### Intimate modern villa gracing the property market in historic Seymour township

Finding quality properties within the current housing market is becoming increasingly difficult for aspiring home owners. We have on offer an exciting opportunity to break into home ownership against the stunning backdrop of Victoria's Seymour region.

Away from the hustle and bustle of Melbourne's city centre, these modern villas combine timeless style with contemporary fittings, making them a standout against the local competition.

Their eye-catching veneer finish comes complete with brick infills above the windows and doors, in addition to concrete roof tiles, making them a sturdy yet homely addition to the Seymour property market.
