

3 Coleraine Rise Kilmore, VIC

Great location, even better allotment

Wilson Partners is proud to present 3 Coleraine Rise, Kilmore.

Tucked away behind Church St in Kilmore you will find Coleraine Rise. This 580m² vacant allotment is sitting in a prime location - a short walk to all essential amenities.

With several new builds in this cul-de-sac of sorts, this land is just waiting for its new owners to come along and build their first home or would equally be perfect for the empty nesters to downsize and be close to town.

Level, accessible and a decent size, this allotment will not last long.
